

The Canadian Centre for the Study of Co-operatives presents

CO-OP CONVERSATIONS

A casual online gathering for co-operative professionals to learn from others in the field and exchange information

THE CO-OP DIFFERENCE: COMPARING CO-OP AND MARKET RENTS IN FIVE CANADIAN CITIES

In this Co-op Conversation, Greg Suttor, Nick Falvo, and Courtney Lockhart will share findings from their recent report that compares housing charges in non-profit co-operatives to similar private sector marketing units in Victoria, Vancouver, Edmonton, Toronto, and Ottawa. Based on their findings that co-op housing units were consistently more affordable than market apartments, and this gap has widened over the period of 2006 – 2021, they will discuss the implications of this finding on the future of the co-operative housing sector.

Date: Wednesday, February 1

Time: 12:00 - 1:00 PM (Saskatchewan time)

Where: on Zoom (free to attend)
